Inter Development Fútbol (IDF) is a youth soccer development and education club based in Cary, NC, that focuses on player development, incorporating life skills and leadership development through soccer training. The club is represented by 20 countries amongst 70 plus players and families and IDF leverages this diversity, along with the organization's 501(c)(3) status, in its extensive fundraising efforts. The parent-driven IDF Fundraising Committee manages these efforts. The Committee brainstorms, plans, and executes fund-raising strategies and activities for the benefit of ALL IDF age groups; and tracks, directs, and approves the use of the acquired funds based on the Fundraising prioritized list/goals from IDF. Every dollar raised directly benefits the soccer development and leadership growth of each male or female player enrolled in the IDF Program.
